RE: Notice of Violation

Dear Ms. Krey:

Enclosed you will find a Notice of Violation (NOV) issued to Anadarko E&P Onshore, LLC by the Department of Environmental Quality, Air Quality Division, for failing to comply with permit requirements for routing vapors to the emission control device and venting vapors at the Standard Draw 11-19D, 22-19D, 31-19D, 32-19, 42-19D PAD facility, located in Carbon County, Wyoming. These are violations of permit CT-10249. These violations were observed by Mr. Jeff Wendt on April 3, 2014.

As the Department and this Division consider the failure to comply with air quality permit conditions to be a serious matter, I am considering recommending the Department refer this violation to the State Attorney General's office requesting a suit be filed in District Court to recover appropriate penalties. If you would like to discuss settlement of this Notice of Violation prior to referral to the Attorney General's office, please contact Ms. Ann Shed, Air Quality Compliance Program Principal, at 307-777-8601 no later than ten (10) days after receipt of this letter.

Should you have any questions or comments regarding this matter, please feel free to contact me or Ms. Ann Shed.

Sincerely,

Steven A. Dietrich
