DOCKET NUMBER 5522-14

NOTICE OF COMPLIANCE

The Department of Environmental Quality (DEQ), Water Quality Division (WQD) issued Notice of Violation and Order Docket Number 5522-14 on February 25, 2014 to Western American Resources (WAR) for failing to comply with permit WY0094650 requirements. WAR was in violation of the Wyoming Environmental Quality Act (Act) and applicable Wyoming Water Quality Rules and Regulations (WWQRR).

The Notice of Violation and Order#5522-14 required WAR to submit corrected Discharge Monitoring Reports (DMRs) and any missing DMRs for 2nd semester 2013 and 1st semester 2014. WAR was also required to receive training on proper completion and submittal of DMRs. Based on reviewed information submitted WAR has complied with the conditions of the Order for Docket Number 5522-14 and the DEQ finds that all terms have been satisfied.

The DEQ looks forward to working with WAR in a proactive manner and is available for future meetings to discuss compliance issues or concerns regarding WYPDES permit requirements.

Dated this 1st day of October, 2015.
