Dear Mr. Huertas:

Thank you for the submittal of the permit modification requests dated November 5, 2012. We are in receipt of the information that payment was received on July 13, 2012. Previous submitted information was reviewed and found to fulfill the requirements contained within the Settlement Agreement to include the permit modifications for these facilities. The Division is satisfied that the requirements stipulated within the settlement agreement have been completed. The file will be annotated to show that the requirements have been fulfilled. We appreciate the opportunity to work in a collaborative capacity with Omimex Petroleum, Inc. to resolve compliance concerns.

If you should have any questions, please feel free to contact Karen Godman at (307) 777-8601.

Sincerely,
