In the matter of:

North American Power Group LTD, Two Elk Facility
Permit Number ISC-97-2

WHEREAS, North American Power Group LTD (NAPG) has petitioned the Council for permit extension, and

WHEREAS, continued application of resources toward the project occurs by NAPG.

WHEREAS, NAPG has identified a plant site contiguous with the site identified in the permit and

WHEREAS, the location proposed does not change the scope, size or impacts of the project and the Council may review and act upon impacts resulting from the project throughout project life.

NOW THEREFORE, the Industrial Siting Council has approved the site location and an extension of the permit for the term of 36 months beyond August, 2000.

So ordered this 2 day of March, 2000

Chairman
