RE: Notice of Violation

Dear Ms. Reed:

Enclosed is a Notice of Violation issued to Bear Paw Energy, LLC for the failure to comply with the testing requirements in permit CT-2186A for the Caterpillar G3408TA (EPN-1, s/n: 6NBO-2283) and Waukesha F18GL (EPN-2, s/n: 13663/1) engines at Prairie Dog Pod J (Formerly Station 21) Compressor Station located in Sheridan County, Wyoming.

As the Department and this Division consider the failure to comply with air quality permit requirements to be a serious matter, I am considering recommending the Department refer this violation to the State Attorney General's office requesting a suit be filed in District Court to recover appropriate penalties. If you would like to discuss settlement of this Notice of Violation prior to referral to the Attorney General's office, please contact Ms. Karen Godman, Air Quality Compliance Program Principal, at 307-777-8601 no later than ten (10) days after receipt of this letter.

Should you have any questions or comments regarding this matter, please feel free to contact me or Ms. Karen Godman.

Sincerely,

David A. Finley
Administrator
Air Quality Division
