RE: Notice of Violation

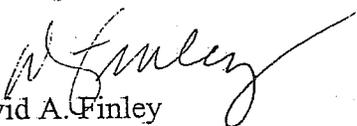

Dear Ms. Reed:

Enclosed is a Notice of Violation issued to Bear Paw Energy, LLC for the failure to comply with the testing requirements in permit MD-842 for the Caterpillar engines at Stones Throw Main Pod 2 Compressor Station located in Campbell County, Wyoming.

As the Department and this Division consider the failure to comply with air quality permit requirements to be a serious matter, I am considering recommending the Department refer this violation to the State Attorney General's office requesting a suit be filed in District Court to recover appropriate penalties. If you would like to discuss settlement of this Notice of Violation prior to referral to the Attorney General's office, please contact Ms. Karen Godman, Air Quality Compliance Program Principal, at 307-777-8601 no later than ten (10) days after receipt of this letter.

Should you have any questions or comments regarding this matter, please feel free to contact me or Ms. Karen Godman.

Sincerely,

David A. Finley
Administrator
Air Quality Division
