RE: Notice of Violation

Dear Mr. Bummer,

Enclosed you will find a Notice of Violation (NOV) issued to Timberline Production Company LLC by the Department of Environmental Quality, Air Quality Division, for failing to control fugitive dust from the work areas at the Timberline Quarry as required by permit CT-3665 and Chapter 3, Section 2(f) of the Wyoming Air Quality Standards and Regulations (WAQSR). These violations were observed by Air Quality Division Engineers, Mr. Glenn Spangler and Mr. Thor Nordwick on October 3, 2008.

As the Department and this Division consider the failure to comply with air quality permit requirements and Wyoming Air Quality Standards and Regulations to be a serious matter, I am considering recommending the Department refer this violation to the State Attorney General's office requesting a suit be filed in District Court to recover appropriate penalties. If you would like to discuss settlement of this Notice of Violation prior to referral to the Attorney General's office, please contact Ms. Karen Godman, Air Quality Compliance Program Principal, at 307-777-8601 no later than ten (10) days after receipt of this letter.

Should you have any questions or comments regarding this matter, please feel free to contact me or Ms. Karen Godman.

Sincerely,

David A. Finley
Administrator
Air Quality Division
