Re: Notice of Violation

Dear Mr. Sersland,

Enclosed you will find a Notice of Violation (NOV) issued to M-I, LLC by the Department of Environmental Quality, Air Quality Division for the failure to control fugitive dust emissions from the Potato Ridge Road located in Bighorn County, Wyoming in violation of Chapter 3, Section 2 of the Wyoming Air Quality Standards and Regulations. This violation was observed by the Division on June 7, 2011.

As the Department and this Division consider the failure to comply with air quality regulatory requirements to be a serious matter, I am considering recommending the Department refer this violation to the State Attorney General's office requesting a suit be filed in District Court to recover appropriate penalties. If you would like to discuss settlement of this issue prior to referral to the Attorney General's office, please contact Ms. Karen Godman, Air Quality Compliance Program Principal, at 307-777-8601 no later than ten (10) days after receipt of this letter.

Should you have any questions or comments regarding the Notice of Violation, please feel free to contact me or Ms. Karen Godman.

Sincerely,

Steven A. Dietrich
Administrator
Air Quality Division
