Re: Notice of Violation Docket # 4490-09 and #4614-09

Dear Mr. Marra:

We are in receipt of the information that the Enhanced Winter Monitoring SEP was completed and payment received. Itemized costs and receipts were also reviewed and found to fulfill the requirements contained within the Settlement Agreement. The Division is satisfied that the requirements stipulated within the settlement agreement have been completed. The file will be annotated to show that the requirements have been fulfilled. We appreciate the opportunity to work in a collaborative capacity with Jonah Gas Gathering Company to resolve compliance concerns.

If you should have any questions, please feel free to contact Karen Godman at (307) 777-8601.

Sincerely,

Steven A. Dietrich  
Administrator  
Air Quality Division
