Re: Notice of Violation Docket # 5043-12

Dear Ms. Morrell:

We are in receipt of the information that funds were received by the University of Wyoming Environmental Engineering Internship Program on January 22, 2013. Itemized costs and receipts were reviewed and found to fulfill the requirements contained within the Settlement Agreement. The Division is satisfied that the requirements stipulated within the settlement agreement have been completed. The file will be annotated to show that the requirements have been fulfilled. We appreciate the opportunity to work in a collaborative capacity with Williams Field Services Company to resolve compliance concerns.

If you should have any questions, please feel free to contact Karen Godman at (307) 777-8601.

Sincerely,

Steven A. Dietrich
Administrator
Air Quality Division
