Dear Ms. McKee:

Thank you for the submittal of the permit modifications dated March 26, 2013, via email. We are in receipt of the information that a Leak Detection and Repair Program is being implemented and incorporated into permits for Ultra Central Gathering Facilities #1, #2, #3 and #4. As the other elements of the Settlement Agreement were completed prior to your March 26, 2013 submittal and the information provided was found to fulfill the remaining requirements of the Settlement Agreement, the Division is satisfied that the requirements stipulated within the settlement agreement have been completed. The files will be annotated to show that the requirements have been fulfilled. We appreciate the opportunity to work in a collaborative capacity with Ultra Resources, Inc. to resolve compliance concerns.

If you should have any questions, please feel free to contact Karen Godman at (307) 777-8601.

Sincerely,

Steven A. Dietrich
Administrator
Air Quality Division
