Re: Notice of Violation Docket # 5088-12

Dear Mr. Knoll:

Thank you for the submittal of payment July 8, 2013, and the invoice and training certificates on June 11, 2013 from the agreed upon SEP for this NOV. The Asbestos Inspector Course for ten Exxon employees was completed June 5, 2013 to fulfill the requirement contained within the Settlement Agreement. The itemized costs and receipts for the project were reviewed and found to fulfill the requirements contained within the Settlement Agreement. The Division is satisfied that the requirements stipulated within the settlement agreement have been completed. The file will be annotated to show that the requirements have been fulfilled. We appreciate the opportunity to work in a collaborative capacity with ExxonMobil LaBarge Operations to resolve compliance concerns.

If you should have any questions, please feel free to contact Karen Godman at (307) 777-8601.

Sincerely,

Steven A. Dietrich  
Administrator  
Air Quality Division
