Re: Notice of Violations Docket # 4974-12, #5012-12, #5037-12, 5050-12 and #5134-13

Dear Mr. Steinle:

Thank you for the submittal dated August 26, 2013 to include locations and requests for permit amendments to require controls remain at specific facilities. As all elements of the Settlement Agreement have been completed and the information provided was found to fulfill the remaining requirements of the Settlement Agreement, the Division is satisfied that the requirements stipulated within the settlement agreement have been completed. The file will be annotated to show that the requirements have been fulfilled. We appreciate the opportunity to work in a collaborative capacity with the BP America Production Company to resolve compliance concerns.

If you should have any questions, please feel free to contact Karen Godman at (307) 777-8601.

Sincerely,

Steven A. Dietrich
