Re: Notice of Violation Docket # 5139-13

Dear Mr. Hammond:

Thank you for the final submittal of payment received November 25, 2013, and invoices and training certificates received November 13, 2013. Asbestos Contractor/Supervisor Training for one employee was completed August 16, 2013 to fulfill training requirements contained within the Settlement Agreement. The itemized costs and receipts for the project were reviewed and found to fulfill the requirements contained within the Settlement Agreement. The Division is satisfied that the requirements stipulated within the agreement have been completed. The file will be annotated to show that the requirements have been fulfilled. We appreciate the opportunity to work in a collaborative capacity with Valley Construction of Cheyenne to resolve compliance concerns.

If you should have any questions, please feel free to contact Fred DiLella at (307) 777-3774.

Sincerely,

Steven A. Dietrich  
Administrator  
Air Quality Division
