Re: Notice of Violation Docket # 5077-12

Dear Ms. Merrill:

Thank you for the submittal of payment on January 9, 2013. The invoice and training certificate were received November 25, 2013. Asbestos Contractor/Supervisor Training for one employee was completed March 8, 2013 to fulfill the training requirements contained within the Settlement Agreement. The itemized costs and receipts for the project were reviewed and found to fulfill and satisfy the requirements contained within the Settlement Agreement. The file will be annotated to show that the requirements have been fulfilled. We appreciate the opportunity to work in a collaborative capacity with Merrill, Inc. to resolve compliance concerns.

If you should have any questions, please feel free to contact Fred DiLella at (307) 777-3774.

Sincerely,

Steven A. Dietrich  
Administrator  
Air Quality Division
