RE: Notice of Violation

Dear Ms. Davison:

Enclosed you will find a Notice of Violation (NOV) issued to SWEPI, LP by the Department of Environmental Quality, Air Quality Division, for failing to comply with the permit requirements for installation of additional equipment without notification to the Division at the Stewart Point 6A PAD facility located in Laramie County, Wyoming. These violations of permit CT-12707 were observed by Ms. Jamie Brewer on April 24, 2014.

As the Department and this Division consider the failure to comply with air quality permit conditions to be a serious matter, I am considering recommending the Department refer this violation to the State Attorney General's office requesting a suit be filed in District Court to recover appropriate penalties. If you would like to discuss settlement of this Notice of Violation prior to referral to the Attorney General's office, please contact Ms. Ann Shed, Air Quality Compliance Program Principal, at 307-777-8601 no later than ten (10) days after receipt of this letter.

Should you have any questions or comments regarding this matter, please feel free to contact me or Ms. Ann Shed.

Sincerely,

Steven A. Dietrich
Administrator
Air Quality Division
