RE: Notice of Violation Dockets #5145-13

Dear Mr. Chambers:

Thank you for the submittal of the training certificates for two City employees to fulfill the requirement contained within the Settlement Agreement. The training certificate for an Asbestos Building Inspector was received by the Division on February 13, 2014. The training certificate for a second Asbestos Building Inspector was received by the Division on August 18, 2014. The Division is satisfied that the requirements stipulated within the settlement agreement have been completed. The file will be annotated to show that the requirements have been fulfilled. We appreciate the opportunity to work in a collaborative capacity with the City of Casper to resolve compliance concerns.

If you should have any questions, please feel free to contact Fred DiLella at (307) 777-3774.

Sincerely,

For Steven A. Dietrich
Administrator
Air Quality Division
