Re: Notice of Violation Docket # 5177-13 for the hospital boiler

Dear Ms. Diamond:

The Air Quality Division discovered that, through an oversight, a closure letter had not been sent regarding the above mentioned Notice of Violation. We apologize for the delay in sending this letter. Payment was received and the Notice of Violation was closed December 2, 2013. The Division is satisfied that the requirements stipulated within the agreement have been completed and the file was annotated to reflect this. We appreciate the opportunity to work in a collaborative capacity with Wyoming Medical Center to resolve compliance concerns.

If you should have any questions, please feel free to contact Ann Shed at (307) 777-8601.

Sincerely,

Cole Anderson
Interim Administrator
Air Quality Division
