

In accordance with Chapter 6, Section 2(m) of the Wyoming Air Quality Standards and Regulations, notice is hereby given that the State of Wyoming, Department of Environmental Quality, Division of Air Quality, proposes to approve a request by TRONOX Alkali Wyoming Corporation to modify operations at the Westvaco Facility with various projects at its plants to increase production. The Westvaco Facility is located in Sections 14, 15, 22 and 23, T19N, R110W, approximately twenty (20) miles west of Green River, in Sweetwater County, Wyoming.

For the duration of the public comment period, copies of the permit application, the agency's analysis, and the public notice are available for public inspection online at <http://deq.wyoming.gov/aqd/new-source-review/resources/applications-on-notice/> and at the Sweetwater County Clerk's Office, Green River, Wyoming. In accordance with the Americans with Disabilities Act, special assistance or alternate formats will be made available upon request for individuals with disabilities.

Written comments may be directed to Steven A. Dietrich, Administrator, Division of Air Quality, Department of Environmental Quality, 122 W. 25th St., Cheyenne, Wyoming 82002 or by fax (307) 777-5616. Please reference A0000713 in your comment. Comments submitted by email will not be included in the administrative record. All comments received by 5:00 p.m., Friday, September 18, 2015 will be considered in the final determination on this application. A public hearing will be conducted only if in the opinion of the administrator sufficient interest is generated or if an aggrieved party so requests.
