MEMORANDUM

TO: Whom It May Concern

FROM: Steven A. Dietrich, Administrator, Air Quality Division *SAW 7-7-15*

DATE: July 17, 2015

SUBJECT: Notice of Final Adoption of Air Quality Rules: Chapter 8 (R-24)

Please consider this memorandum as notice of final adoption of revised air quality standards and regulations. Wyoming Air Quality Standards and Regulations (WAQSR), Chapter 8 has been revised in this rulemaking, and changes became effective on June 30, 2015. **Please discard existing contents of Chapter 8, and then insert the new edition of the chapter, which can be accessed electronically at <http://soswy.state.wy.us/Rules/default.aspx>. The revised chapter includes a forward, table of contents and body of regulations.**

Chapter 8, Nonattainment Area Regulations, Section 1, Introduction to nonattainment area regulations, has been revised to reflect the addition of a new section to the chapter.

Chapter 8, Section 6, Upper Green River Basin permit by rule for existing sources, establishes requirements for PAD and single-well oil and gas production facilities, and compressor stations, located in the Upper Green River Basin (UGRB) ozone nonattainment area that were existing as of January 1, 2014.

Chapter 8, Section 10, Incorporation by reference, was updated to adopt by reference from the Code of Federal Regulations (CFR) as of July 1, 2013.

Chapter 8, Section 6, Upper Green River Basin permit by rule for existing sources, and Chapter 8, Section 10, Incorporation by reference, involve changes to the State Implementation Plan (SIP).

These rules were adopted by the Environmental Quality Council at a public hearing in Pinedale, Wyoming on May 19, 2015, and filed as final rules by the Secretary of State on June 30, 2015.

If you have questions concerning this rule adoption, please feel free to contact Jeni Cederle at 307-777-7740. Once again, current Air Quality Standards and Regulations are available electronically at <http://soswy.state.wy.us/Rules/default.aspx>.
