

**BEFORE THE WYOMING INDUSTRIAL SITING COUNCIL
STATE OF WYOMING**

IN THE MATTER OF THE INDUSTRIAL SITING PERMIT)
OF PIONEER WIND PARKS, WASATCH WIND) DOCKET DEQ/ISC 10-02
INTERMOUNTAIN, LLC)

ORDER

WHEREAS, Wasatch Wind Intermountain, LLC (Wasatch Wind) has a permit in good standing to construct its wind parks in Converse County, and

WHEREAS, Wyoming Statute § 35-12-106(c) authorizes the Council to allow the amendment of a permit, and

WHEREAS, On December 18, 2013, Wasatch Wind provided a map of the site plan for the project and explained that the change was necessary to incorporate the recognize the recommendations given by US Fish and Wildlife and mitigate potential eagle mortality due to the project. The Company testified that the reduction in the wind turbines previously approved ensured that the social and environmental impacts would be less that originally approved. The Company demonstrated that the requested amendment to the permit would not significantly add to adverse environmental, social, or economic impact in the impacted area and that the requested amendment was otherwise justified under the terms of Wyoming Statute 35-12-106(c).

NOW, THEREFORE, the Industrial Siting Council grants Wasatch Wind's petition to amend its permit to reflect the change of the wind turbine site plan used for the project.

So ordered this 18th day of December 2013.
