

BEFORE THE WYOMING INDUSTRIAL SITING COUNCIL

STATE OF WYOMING

IN THE MATTER OF THE INDUSTRIAL)
SITING PERMIT OF)
TWO ELK GENERATION PARTNERS, LP)

DOCKET DEQ/ISC 97-02

ORDER

WHEREAS, Two Elk Generation Partners, LP has a permit in good standing to construct a waste-coal –fired electricity generating facility in Campbell County, and

WHEREAS, Two Elk Generation Partners, LP continues to employ resources towards the waste-coal-fired electricity generating facility in Campbell County, and

WHEREAS, Two Elk Generation Partners, LP has notified the Industrial Siting Council of a change in its construction schedule with “Total Manpower Curve Updated Figure 3-1” from the Two Elk Project Update and Annual Report dated September 27, 2012, and

WHEREAS, the construction schedule in the Annual Report Update 2012 commences in January 2014 and continues through December 2017, and

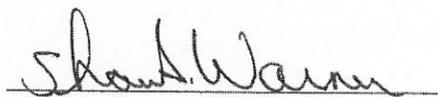

WHEREAS, this schedule change constitutes a 20 month shift in construction start date from the approved schedule of May 2012, and

WHEREAS, Wyoming Statutes 35-12-106(c) allows the Council to amend a permit or an application for a permit on a showing of good cause, and

WHEREAS, the Industrial Siting Council notified parties to the permit, held a meeting on April 1, 2013, heard from the City of Newcastle and the Wyoming Construction and Building Trades Council, parties to the permit, and the Council voted 4 to 2 to accept the schedule change, and

NOW, THEREFORE, the Industrial Siting Council approves a change to the construction schedule as described by “Total Manpower Curve Updated Figure 3-1” from the Two Elk Project Update and Annual Report dated September 27, 2012, which is attached and included with this Order.

So ordered this 10th day of April, 2012.
