Wasatch Wind Intermountain, LLC Notice Concerning Permit DEQ/ISC 10-02
Wyoming Department of Environmental Quality, Wyoming Industrial Siting Council

The Industrial Siting Division (Division) received a letter from Wasatch Wind Intermountain, LLC requesting three amendments to permit DEQ/ISC 10-02 to construct a wind energy facility. The amendments request to: change the commencement of construction from July 18, 2014 to August 15, 2015, change the due date for the demonstration of financial assurance from May 18, 2014 to August 15, 2015, and change the bonding amount from \$18,767,000 to \$13,636,285. The location of the facility is in Converse County near Glenrock, Wyoming. The public may review a copy of the proposed amendment at the Division in Cheyenne, Wyoming or online at <http://deq.state.wy.us/isd/isdnews.htm> . Persons may also request a copy of the proposed amendment by contacting the Division.

Pursuant to Condition #11, the Administrator is providing public notice of the requested change to permit DEQ/ISC 10-02. The Administrator has requested that the matter be heard before the Council in accordance with the permit procedures of W.S. 35-12-106 (c) and (d). Notice is hereby given that the Industrial Siting Council will consider the proposed revisions to permit DEQ/ISC 10-02 at its next meeting scheduled on July 14, 2014 at the Douglas Inn & Convention Center Ballroom, 1450 Riverbend Drive starting at 10 A.M. in Douglas, Wyoming.

In Accordance with the Americans with Disabilities Act, special assistance or alternative formats will be made available upon requests for individuals with disabilities.
