**RE: Notice of Compliance for Notice of Violation, Docket No. 4541-09, Permit No. 476, Johnson County Road and Bridge**

Dear Mr. Pehringer and Dollyhigh:

This letter serves as the Land Quality Division Notice of Compliance for NOV Docket # 4541-09. Photographic evidence received from Mr. Pehringer on September 23, 2009 shows that all required physical corrections to Hackert and BLM Rome Hill Pits to address compliance issues of the August 17, 2009 Annual Inspection Report and terms of the October 1, 2009 Settlement Agreement have been completed. Receipt of the assessed penalty on October 5, 2009 and approval of the Ararat Rock Products of Wyoming License to Mine under permit No. 476 have completed the terms of the Settlement Agreement.

All compliance issues related to the NOV have been satisfied.

Should you have any questions regarding this letter, please contact me at (307) 673-9337.

Sincerely,

David A. Schellinger  
Natural Resources Analyst
