RE: Notice of Compliance for Notice of Violation (NOV), Docket No. 4535-09, Hartville (Ingleside) Quarry, Permit No. 320c

Dear Ms. Wiebers:

This letter serves as the Land Quality Division (LQD) Notice of Compliance for the Notice of Violation (NOV), Docket #4535-09. As stated in your letter dated April 12, 2010, you attempted to contact the surface landowner (Bill Wilson Trust) and no formal response was received other than a voice mail indicating there are no issues and no further action is requested. We received copies of the Certified Receipt statements providing evidence that an attempt was made to contact the surface landowner.

Therefore, all compliance issues related to the NOV Docket #4535-09 have been satisfied.

If you have any questions concerning this letter, please contact me by email at mbuchal@wyo.gov or by phone at (307) 777-7065.

Sincerely,
