

Department of Environmental Quality

To protect, conserve and enhance the quality of Wyoming's environment for the benefit of current and future generations.

Matthew H. Mead, Governor

John Corra, Director

November 3, 2011

Mr. Robert Cullum
Mineral Technology Corp.
P.O. Box 872
Custer, SD 57730

**RE: Notice of Compliance for Notice of Violation, Docket No. 4333-08;
Mineral Technology Corp., Permit No. 702ET**

Dear Mr. Cullum:

This letter serve as a Notice of Compliance (NOC) for the above referenced Notice of Violation (NOV). The Land Quality Division (LQD) staff inspected the site on September 23, 2011.

Reclamation has been completed to the satisfaction of both the landowner and the Bureau of Land Management (the mineral owner). No additional mining had occurred since the NOV was issued. Therefore, this operation is determined to be in compliance with the violations cited in the NOV. The LQD will be recommending bond release and termination of this ET.

If you have any questions or need additional information please call me at (307) 777-7052.

Sincerely,

Lowell K. Spackman
District I Supervisor
Land Quality Division
