Dear Steve:

Enclosed is the formal termination of the referenced Notice of Violation. The two Wyodak blasters had their Wyoming Blaster Certificates suspended from June 25 through July 10, 2012. Wyodak had blasting regulation training for mine personnel on June 28, 2012 and submitted training verification for that class.

There was no monetary penalty associated with this Notice of Violation as stated in Director Corra's letter dated June 27, 2012

If you have any questions, please contact me at (307) 675-5612.

Sincerely,
