RE: Termination of Notice of Violation Docket No. 5051-12, Small Mining Permit No. 509(s)

Dear Mr. Rhine:

Interpace Holdings, LLC, operating under Small Mine Permit No. 509(s), was issued Notice of Violation (NOV) Docket No. 5051-12 on August 29, 2012 for failure to post a bond sufficient to reclaim existing disturbances. A bonding requirement of \$184,000 had been established by the Land Quality Division (LQD) following the June 19, 2012 Annual Inspection.

In response to the NOV, Interpace submitted an increase rider in the amount of \$100,000 for Surety Bond No. SB100152, written by the Southwest Marine & General Insurance Co. The increase rider was approved by LQD on October 8, 2012. With this approval, the aggregate bonding liability for Permit 509(s) was increased to \$184,000.

Please be advised that the specific issues relating to the bond amount cited in the NOV have been addressed. Notice of Violation, Docket No. 5051-12, is hereby terminated. Your cooperation in this matter has been greatly appreciated. If you should have any questions regarding this correspondence, please feel free to contact me.

Sincerely,

John Erickson
Assistant District II Supervisor
