RE: Letter of Compliance, Termination of Land Quality Division NOV, Docket No. 5470-14, dated October 6, 2014, FMC Granger, Permit 454

Dear Ron:

This letter serves as the Letter of Compliance recommending termination of the NOV, Docket No. 5470-14. The terms of the Settlement Agreement have been met, and the penalty check of \$5,000 was received on November 28, 2014. Thank you for the responsiveness and prompt action taken to minimize the impacts from inadequate topsoil salvage at the FMC-Granger SMP Project.

Any questions regarding this letter should be directed to my attention at (307) 335-6941 or amy.boyle@wyo.gov.

Sincerely,

Amy Boyle
Project Geologist
Land Quality Division
