ANNUAL REPORT - RENEWAL REQUEST

1. License Number _____ Original Approval Date _____
2. Name of License Holder _____
Current Address _____

Current Phone Number _____
Primary Contact or Agent _____
Address and Phone Number of
Agent if different from above _____

3. The time period covered by this Annual Report is one year, based upon the original approval date. This Annual Report covers
_____, _____, _____ to _____, _____, _____.
(month) (day) (year) (month) (day) (year)
4. On a separate sheet, briefly describe the testing/mining conducted during this Annual Report period. Please describe all deviations from the procedures approved in the License and/or deviations from predictions made in previous Annual Reports. Include the amount of groundwater (in gallons) affected, acres affected during the period and to date.
5. On a separate sheet, briefly describe the progress of all reclamation since original License approval. Please describe all deviation from approved License procedures and/or deviations from predictions made in previous Annual Reports.
6. On a clear map (or aerial photograph), please show the location of all testing/mining activities and all reclamation activities. The map should have complete legend information including: north arrow, section number, township number, range number, county, and scale.
7. On a separate sheet, please provide a reclamation bond estimate which itemized the License Holder's expected costs for reclaiming:
 - A. all lands which were disturbed since License approval and which have not been released in writing by the DEQ/LQD.
 - B. all lands which will be disturbed during the next Annual Report period.
 - C. all groundwater affected by research activities.
8. If License renewal is not requested, you must initiate and complete permanent, final reclamation of all disturbed lands according to approved License provisions. Final termination of reclamation liability and reclamation bond release will not occur until the surface owner and DEQ/LQD jointly determine that reclamation is complete and revegetation is successful.
9. The Licensee wishes to renew this License. Yes _____ No _____
10. Printed name of person preparing this Annual Report _____
Signature of person preparing this Annual Report _____
Date of preparation/signature _____

Renewal Approved By:

Land Quality Division, Administrator
