

NONCOAL MINING PERMITS
SAMPLE PUBLICATION FORMAT
FIRST RENEWAL OF INTERIM MINE STABILIZATION
SINGLE PUBLICATION

INSTRUCTIONS:

1. This notice is to be published, upon notification by Land Quality Division, once a week for three (3) consecutive weeks in a newspaper of general circulation in the locality of the mine area (Chapter 3, Section 2(k)(ii)(E)(II) Land Quality Division, Noncoal Rules and Regulations).
2. An affidavit from the newspaper verifying publication shall be submitted to the LQD following publication along, with a copy of the notice.

Public Notice

The (Company Name) has filed a request for renewal of interim mine stabilization for a five year period with the Wyoming Department of Environmental Quality, Land Quality Division. The (Mine name) is operated under Mining Permit no. (#) and is located in: (general legal description of permit area - sections, township and range, county) County, Wyoming. The mineral being mined is (e.g., sand & gravel, limestone, trona, bentonite, etc.). The mine is located approximately (Locate the area relative to the nearest town, well-known landmark, highway, etc.).

Information regarding the operation and the interim stabilization request may be reviewed at the office of the DEQ-Land Quality Division in Cheyenne (and Location of local District Office, if applicable). Written objections to the renewal of interim mine stabilization must be received by the Administrator of the Land Quality Division of the Department of Environmental Quality, 200 W. 17th Street, Suite 10, Cheyenne, Wyoming 82002, before the close of business (Date 30 days after the last publication). If an objection specifically requests a public hearing before the Environmental Quality Council, a public hearing shall be held within twenty (20) days after the final date for filing objections unless a different period is stipulated by the parties. The Environmental Quality Council or the Director shall publish notice of the time, date and location of the hearing in a newspaper of general circulation in the locality of the mining operation once a week for two (2) weeks immediately prior to the hearing. The hearing shall be conducted as a contested case in accordance with the Wyoming Administrative Procedures Act (W.S. §16-3-101 through §16-3-115) and the right of judicial review shall be afforded as provided in that Act.
