

# NOTICE OF INTENT

<p>Official Use Only Date received:</p>
---

## TO REQUEST DISCHARGE AUTHORIZATION FOR STORM WATER FROM **MINERAL MINING OR INDUSTRIAL ACTIVITIES**

(Under Mineral Mining Construction General Permit WYR32-0000  
or Industrial General Permit WYR00-0000)

- ✓ Please print or type.
- ✓ All items must be completed accurately and in their entirety or the NOI will be deemed incomplete and will be returned. A copy of the SWPPP map (meeting permit requirements) must be submitted before the NOI will be processed.
- ✓ Storm water discharges are covered under the mineral mining or industrial general permits when the Administrator provides a letter of authorization (LOA) to the applicant.
- ✓ **Check for permit fees must be submitted with this NOI. See item 6 below.**
- ✓ **An original signature of the applicant is required. Faxes or emails cannot be accepted.**

For Renewing Existing Coverage Only:	
<p>Check here only if you are extending an early expiration date. An extension is necessary when your mineral mining or industrial facility is not "finally stabilized" and/or "significant materials" are present. See Part of 5 of either permit for more detailed information.</p> <p>Please provide your current authorization number: <i>Authorization WYR</i> _____</p>	

### 1. Contact Information:

Permit Applicant		
Company Name:		
Legally Responsible Person: <i>(See Item 10 below for description)</i>	Mr. Ms.	
Title:		
Mailing Address:		
City, State, ZIP Code:		
Telephone:	Fax:	
E-mail Address:		

Local Facility Contact	Same as Applicant	
Company Name:		
Local Contact Name:	Mr. Ms.	
Title:		
Mailing Address:		
City, State, ZIP Code:		
Telephone:	Fax:	
E-mail Address:		

**Assignment of Authorized Representative (optional section)**  
 All reports required by the permit and other information requested by the Administrator shall be signed by a person described in Part 11.8 of the mineral mining general permit or 11.7 of the industrial general permit or by a duly authorized representative of that person. A person is a duly authorized representative only if:

1. *The authorization is made in writing by a person described above and submitted to the Administrator; and*
2. *The authorization specifies either an individual or a position having responsibility for the overall operation of the regulated facility or activity, such as the position of plant manager, operator of a well or a well field, superintendent, position of equivalent responsibility or an individual or position having overall responsibility for environmental matters for the company. A duly authorized representative may thus be either a named individual or any individual occupying a named position.*

Authorized name:	Mr. Ms.	Telephone #:	
Title:		E-mail address:	
OR:			
Authorized position:		Telephone #:	
Position currently held by:	Mr. Ms.	E-mail address:	

2. Check the box that applies to your activity: **Mineral Mining (SIC 14)** or **Industrial**

3. **Facility Information:**

Facility Name:			
Facility County(ies)			
Facility Location:	Provide the location as either section, township and range OR a street address.		
Latitude and longitude to a minimum of 5 decimal places: <i>*Information no longer optional*</i>			
Standard Industrial Classification (SIC) Code(s) List SICs for all regulated activities occurring at the site: <i>e.g., gravel mining, asphalt hot plant, etc.</i>			
Land Quality Division permit number for mining facilities: <i>Use "Pending" if not yet issued</i>			

**4. Receiving Waters and Municipal Storm Sewers:**

Name(s) of the nearest defined drainage(s) which could receive runoff from the facility, whether it contains water or not. Include bodies of water such as lakes and wetlands where applicable.	
Will storm water discharge from the facility enter a municipal storm sewer?	Yes                      No
If so, what municipality?	
To what water body does the storm sewer discharge?	
Identify all water bodies that are listed on the state's 303(d) report as impaired due to, or have an approved TMDL for (MMGP) sediment, suspended solids or turbidity or (IGP) for pollutants expected to be exposed to storm water on the facility and that have a reasonable potential to leave the site in runoff and <ul style="list-style-type: none"> <li>▪ are within 2000 feet of the facility and that may receive runoff from the facility or;</li> <li>▪ will receive storm water discharges that enter a storm sewer system regardless of the distance from the receiving water</li> </ul>	

**5. SWPPP**

Has a "Storm Water Pollution Prevention Plan," following the requirements presented in the appropriate general permit, been prepared for the facility?	Yes                      No
Please note that the SWPPP is a permit requirement and you <u>will not</u> be issued coverage under the general permit unless you are able to answer yes to this question.	

**6. WYPDES Permit Fee**

As of July 1, 2013 <a href="#">applications for new permits and authorizations under the WYPDES program must include payment for permit fees with the application or notice of intent</a> . See the WYPDES fee page at <a href="http://deq.state.wy.us/wgd/WYPDES_Permittng/feecalc.html">http://deq.state.wy.us/wgd/WYPDES_Permittng/feecalc.html</a> for more information and to find the fee calculator. Please provide the following information to verify your permit fee amount.	
NOI date (date you expect to submit the NOI):	
Date you wish coverage under the MMGP or IGP to expire (not to exceed 3/31/17 for MMGP or 8/31/17 for IGP). <ul style="list-style-type: none"> <li>• MMGP coverage must be maintained until the facility no longer requires permit coverage (i.e., the project reaches "finally stabilized" condition OR the Land Quality Division bond is released – see Part 5 in the MMGP for more information). Permittee must renew coverage if the facility does not meet the conditions of Part 5 by this date:</li> <li>• IGP coverage must be maintained until the facility no longer requires permit coverage (i.e., there is no longer any potential for storm water discharges associated with industrial activity or the facility has applied for and received a letter from WDEQ indicating that the facility qualifies for a no exposure exclusion – see Part 5 of the IGP for more information). Permittee must renew coverage if the facility does not meet the conditions of Part 5 by this date:</li> </ul>	
Amount remitted:	Check Number:

**7. Select Industrial Facilities with Federal Effluent Limitation Guidelines**

If you have an industrial facility, do any of the following apply? See 9.2 of the IGP for additional information		
a. This is an asphalt plant ( <i>emulsion only</i> ) – SIC 2951	Yes	No
b. This is a cement manufacturing facility – SIC 3241	Yes	No
c. This facility may have storm water runoff from coal piles – any SIC	Yes	No
<ul style="list-style-type: none"> <li>▪ If you answered ‘no’ to all three questions, then this section does not apply to your facility and you should skip to the next item.</li> <li>▪ If you answered ‘yes’ to any question, then your storm water runoff is subject to a federal effluent limitation guideline and you will need to collect an annual runoff sample for analysis if you discharge storm water from your facility. <b>Please download and complete the Outfall Characterization Table and submit it with your NOI.</b></li> </ul>		

**8. Attachments:**

<ul style="list-style-type: none"> <li>♦ <b><u>For all facilities:</u> A complete map as described in the permit’s SWPPP requirements</b> must be submitted with the NOI for <b>all</b> facilities. Maps may be submitted as:             <ol style="list-style-type: none"> <li>1. A hard copy with this NOI <b>OR</b>;</li> <li>2. (<i>Preferred</i>) Electronically (as PDF or Microsoft Word compatible format) on a CD or DVD with the NOI or to <a href="mailto:deq-stormwater@wyo.gov">deq-stormwater@wyo.gov</a>. Maps submitted by e-mail must include the permittee name and contact information and the project name and location.</li> </ol> <p><b>STOP! NOI will not be processed and authorization will not be issued without a complete map!</b></p> </li> <li>♦ <b><u>For all facilities:</u> A check for permit fees must be attached.</b> To determine the fee amount required for this application go to the fee calculator at <a href="http://deq.state.wy.us/wqd/WYPDES_Permitting/feecalc.html">http://deq.state.wy.us/wqd/WYPDES_Permitting/feecalc.html</a>. Checks should be made payable to the Department of Environmental Quality.             <p><b>STOP! NOI will not be processed unless check for full permit fee is attached!</b></p> </li> <li>♦ <b>For industrial facilities subject federal effluent limitation guidelines on storm water discharges</b> (only needed if you answered ‘yes’ to any questions in item 7): Complete the Outfall Characterization Table (posted online or call 307-777-7781 for a copy) and submit it with your NOI.</li> </ul>
--

**9. Copy of the General Permit**

<p>Do you wish to receive a copy of the Mineral Mining or Industrial General Permit?</p> <p><i>Those who check “No” will receive only a letter of authorization for their facility.</i></p>	<p>Yes      No</p>
---	--------------------

**10. Certification:**

*I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations. In addition, I certify that I am aware of the terms and conditions of the mineral mining or industrial general permit (as relevant to your facility) and I agree to comply with those requirements.*

<b>Authorized signatories for this notice of intent are the following "legally responsible persons:"</b>	
<i>For corporations:</i>	<i>A principal executive officer of at least the level of vice president, or the manager of one or more manufacturing, production, or operating facilities, provided the manager is authorized to make management decisions which govern the overall operation of the facility from which the discharge originates.</i>
<i>For partnerships:</i>	<i>A general partner.</i>
<i>For a sole proprietorship:</i>	<i>The proprietor.</i>
<i>For a municipal, state, federal or other public facility:</i>	<i>Either a principal executive officer or ranking elected official.</i>
