

NOTICE of TERMINATION
 for projects covered under the
Large Construction
General Permit

Official Use Only Date received:

Use this form to terminate coverage under the Large Construction General Permit (LCGP) for storm water discharges. The construction site must meet the conditions specified in Part 5 of the LCGP before coverage may be terminated.

1. Permittee Contact Information:

Company Name:			
Legally Responsible Person: (See box below for a description)	Mr.		
	Ms.		
Title:			
Mailing Address:			
City, State, ZIP Code:			
Telephone:		Email Address:	

2. Authorization Number: WYR10 _____

3. Project Information:

Project Name:			
Project County(ies):			
Project Location:	Provide the location as either section, township, and range OR a street address OR latitude and longitude. For linear projects such as roads or pipelines provide the locations of the endpoints.		
If this is a WYDOT project, list project number(s).			

4. Project Condition: (See Part 5 of the Large Construction General Permit for termination conditions)

Describe the condition of the permitted site. Is it revegetated, built over, paved over or other?	
---	--

5. Certification:

I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations

I further certify under penalty of law that, for the construction project and permit described above, disturbed soils have been finally stabilized, as defined in Part 2.8 (or as modified in Part 5.3).

I understand that by submitting this notice I am terminating coverage under Wyoming's Large Construction General Permit (WYR10-0000) for storm water discharges. I also understand that if, at a later date, it is determined that the site was inadequately reclaimed, I may be liable for discharging pollutants without a permit.

Printed Name of "Legally Responsible Person"

Title

Signature of "Legally Responsible Person"

Date

Authorized signatories for this notice of intent are the following "legally responsible persons:"	
<i>For corporations:</i>	<i>A principal executive officer of at least the level of vice president, or the manager of one or more manufacturing, production, or operating facilities, provided the manager is authorized to make management decisions which govern the overall operation of the facility from which the discharge originates.</i>
<i>For partnerships:</i>	<i>A general partner</i>
<i>For a sole proprietorship:</i>	<i>The proprietor</i>
<i>For a municipal, state, federal or other public facility:</i>	<i>Either a principal executive officer or ranking elected official</i>

Section 35-11-901 of Wyoming Statutes provides that:

"Any person who knowingly makes any false statement, representation, or certification in any application . . . shall, upon conviction, be fined not more than ten thousand dollars (\$10,000) per day for each violation or imprisoned for not more than one (1) year, or both."

Upon completion mail or hand deliver to: WYPDES Storm water Program
