

NOTICE OF INTENT

<i>Official Use Only</i> Date received:
--

**TO REQUEST
DISCHARGE AUTHORIZATION
FOR STORM WATER FROM
LARGE CONSTRUCTION ACTIVITIES**
(Under Large Construction General Permit WYR10-0000)

- ✓ Please print or type.
- ✓ All items must be completed accurately and in their entirety or the NOI will be deemed incomplete and will be returned. A complete SWPPP must be submitted before the NOI will be processed.
- ✓ Storm water discharges are covered under the large construction general permit when the Administrator provides a letter of authorization (LOA) to the applicant (see Part 1.2.4 of the permit).
- ✓ **Check for permit fees must be submitted with this NOI. See item 2 below.**
- ✓ An original signature of the applicant is required. Faxes or emails cannot be accepted.

For Renewing Existing Coverage Only:

Check here only if you are extending an early expiration date on existing coverage because your construction site is not "finally stabilized." Please provide your current authorization number.
 Authorization WYR10 _____

1. Contact Information:

Permit Applicant			
Company Name:			
Legally Responsible Person: (See Item 9 below for description)	Mr. Ms.		
Title:			
Mailing Address:			
City, State, ZIP Code:			
Telephone:		Fax:	
E-mail Address:			

Local Facility Contact	Same as Applicant		
Company Name:			
Local Contact Name:	Mr. Ms.		
Title:			
Mailing Address:			
City, State, ZIP Code:			
Telephone:		Fax:	
E-mail Address:			

2. WYPDES Permit Fee

Applications under the WYPDES program must include payment for permit fees with the application or notice of intent. See the WYPDES fee page at http://deq.state.wy.us/wqd/WYPDES_Permitting/feecalc.html for more information and to find the fee calculator. Please provide the following information to verify your permit fee amount.

NOI date (date you expect to submit the NOI):			
Month and year you wish coverage under the LCGP to expire (not to exceed 2/1/2020). LCGP coverage must be maintained on this project until the project no longer requires permit coverage (i.e., the project reaches “finally stabilized” condition – see Part 2.8 in the permit for a definition). Permittee must renew coverage if the project is not “finally stabilized” by this date:			
Amount remitted:		Check Number:	

3. Sage Grouse Core Area Determination

Pursuant to the requirements of the Governor’s Executive Order 2015-4, Greater Sage-Grouse Core Area Protection, the Wyoming Department of Environmental Quality (WDEQ) is working with the Wyoming Game and Fish Department (WGFD) to minimize the impact of development on the Greater Sage-Grouse population in Wyoming. To that end, operators of large construction projects must determine if any part of the project falls within a Greater Sage-Grouse Core Area (SGCA) before applying for coverage under the Large Construction General Permit (LCGP). If any part of your project falls within a SGCA, the first point of contact for addressing sage-grouse issues is the WGFD. Coordinate with the WGFD and obtain a letter confirming consistency with the Executive Order prior to applying for coverage under the LCGP. The G&F consistency letter must be attached to this NOI. Note that your NOI will be returned without processing until you have consulted with the WGFD and obtained a letter confirming consistency with the Executive Order. In order to extend coverage for your project under the LCGP, you must also certify your intent to comply with any Executive Order stipulations and recommendations provided through consultation with WGFD.

Additional information and a map of SCGAs are available at <http://deq.wyoming.gov/wqd/storm-water-permitting/resources/construction-general-permits/>

Some part of my project does fall within a SGCA and I contacted the WGFD for a consultation. **A letter from the WGFD confirming consistency with the Executive Order is attached.**

No part of my project falls within a SCGA → No additional requirements. Complete and submit your Notice of Intent.

4. Project Description:

Briefly describe the project:			
Area that your project will disturb during construction in acres:		Total disturbed area of the “larger common plan of development or sale” (if applicable):	
Date construction is planned to start:		Date “final stabilization” is expected:	
Is a sediment basin or pond as described in Part 7 included in the SWPPP? <i>Note that basins and ponds must comply with appropriate design standards and designs for sediment basins/ponds must be stamped by a Wyoming-licensed Professional Engineer and plans must be included in the facility SWPPP..</i>			Yes No

5. Project Information:

Project Name:	
Project County(ies)	

Project Location: Provide the location as either section, township and range OR a street address. For linear projects such as roads or pipelines provide the locations of the endpoints.	
<i>If this is a linear project add ending location. If more space is needed attach additional sheet(s):</i>	
Latitude and longitude to a minimum of 5 decimal places:	
If this is a WYDOT project, list project number(s) and WYDOT project engineer:	

6. Receiving Waters and Municipal Storm Sewers:

Name(s) of the nearest defined drainage(s) which could receive runoff from the construction project, whether it contains water or not. Include bodies of water such as lakes and wetlands where applicable.	
Will storm water discharge from the project enter a municipal storm sewer?	Yes No
If so, what municipality?	
To what water body does the storm sewer discharge?	
Identify all water bodies that are within 2000 feet the construction site and that may receive flow from the construction site that are: 1. Listed on the state's 303(d) report as impaired due to sediment, suspended solids or turbidity or 2. Have an approved TMDL for sediment, suspended solids or turbidity	

7. Attachments:

<i>For any project that falls partly or completely within a Sage-Grouse Core Area:</i> Provide a copy of a letter from the WGFD confirming consistency with the Executive Order. NOIs will not be processed without a letter!
<i>For all projects:</i> A complete SWPPP must be submitted with the NOI for all projects. SWPPPs may be submitted as: 1. A hard copy with this NOI OR , 2. (Preferred) Electronically (as PDF or Microsoft Word compatible format) on a CD or DVD with the NOI or to deg-stormwater@wyo.gov . SWPPPs submitted by e-mail must include the permittee name and contact information and the project name and location. STOP! NOIs will not be processed and authorizations will not be issued without a complete SWPPP!
<i>For all projects:</i> A check for permit fees must be attached . To determine the fee amount required for this application go to the fee calculator at http://deg.state.wy.us/wqd/WYPDES_Permitting/feecalc.html . Checks should be made payable to the Department of Environmental Quality. STOP! NOI will not be processed unless check for full permit fee is attached!
<i>Alternative inspection plans only.</i> Operators seeking approval for alternative inspection schedules at the beginning of their project must submit the project SWPPP and proposed inspection plan with their NOI. Approval for an alternative plan may also be requested later (see Part 9.5 in the permit).

8. Copy of General Permit:

Do you wish to receive a paper copy of the Large Construction General Permit?	Yes No
<i>Those who check "no" will receive only a letter of authorization for their project.</i>	

9. Certification:

I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations. In addition, I certify that I am aware of the terms and conditions of the large construction general permit and I agree to comply with those requirements and any additional sage grouse Executive Order stipulations and operating restrictions or recommendations provided by the Wyoming Game & Fish Department for activities in Greater Sage Grouse Core Areas.

Authorized signatories for this notice of intent are the following "legally responsible persons:"	
<i>For corporations:</i>	<i>A principal executive officer of at least the level of vice president, or the manager of one or more manufacturing, production, or operating facilities, provided the manager is authorized to make management decisions which govern the overall operation of the facility from which the discharge originates.</i>
<i>For partnerships:</i>	<i>A general partner.</i>
<i>For a sole proprietorship:</i>	<i>The proprietor.</i>
<i>For a municipal, state, federal or other public facility:</i>	<i>Either a principal executive officer or ranking elected official.</i>

Printed Name of "Legally Responsible Person"	Title
Signature of "Legally Responsible Person"	Date

Section 35-11-901 of Wyoming Statutes provides that:

"Any person who knowingly makes any false statement, representation, or certification in any application . . . shall, upon conviction, be fined not more than ten thousand dollars (\$10,000) per day for each violation or imprisoned for not more than one (1) year, or both."

Mail or hand deliver this application to: WYPDES Storm Water Section DEQ/WQD 200 West 17 th Street Cheyenne, WY 82002	DEQ use only:
