NOTICE OF VIOLATION

NOTICE IS HEREBY GIVEN THAT:

1. Gasamat Oil Corporation of Colorado (Gasamat) owns and operates underground storage tanks located at 709 South Third, Laramie, Wyoming. The facility is registered as UST facility 0-000547. Gasamat uses automatic tank gauging and inventory control for leak detection on the tanks.

A storage tank compliance inspection was conducted on March 9, 2007, by personnel from the Department of Environmental Quality. It was discovered that a passing automatic tank gauge test result, for one of the tanks, was not obtained for the month of November 2006. The Gasamat Oil Corporation representative told the inspectors that the inventory control records had recently been submitted to a statistical inventory reconciliation provider.

2. Gasamat Oil Corporation of Colorado failed to report a suspected release within 24 hours, after they were unable to obtain a passing automatic tank gauge test result, for a tank, during the month of November

Gasamat Oil Corporation of Colorado failed to investigate a suspected release within seven days after they were unable to obtain a passing automatic tank gauge test result, for a tank, during the month of November.

3. Wyoming Water Quality Rules and Regulations (WWQRR), Chapter 17, Section 16 (c), states: "Owners and/or operators using automatic tank gauging shall also: (ii) report a suspected release and follow the requirements of Section 19(c) of this chapter whenever: (A) Any calendar month goes by when a passing result cannot be obtained from the ATG sometime during the month..."

WWQRR, Chapter 17, Section 19, states: "Reporting of Suspected Releases. Owners and/or operators of storage tank systems shall orally report to the department within twenty-four (24) hours all releases or suspected releases."

WWQRR, Chapter 17, Section 20, States: "Release Investigation and Confirmation for Eligible Owners and/or Operators. Owners and/or operators of storage tanks who are eligible for cleanup under the Corrective Action Account shall immediately investigate and confirm all suspected releases of regulated substances requiring reporting under Section 19 within seven (7) days of detection."

4. Gasamat Oil Corporation of Colorado has violated WWQRR, Chapter 17, Section 16 (c); WWQRR, Chapter 17, Section 19; and WWQRR Chapter 17, Section 20.

5. This Notice is being sent to you pursuant to W.S. 35-11-701(c)(i), which requires that in any case of the failure to correct or remedy an alleged violation, the director of the Department of Environmental Quality shall cause a written notice to be issued and served upon the person alleged to be responsible.

NOTHING IN THIS NOTICE OF VIOLATION (NOV) shall be interpreted to in any way limit or contravene any other remedy available under the Environmental Quality Act, nor shall this NOV be interpreted as being a condition precedent to any other enforcement action.

SIGNED this 26 day of April, 2007

John Y. Corra
Director
Department of Environmental Quality
