SUBJ: Notice of Compliance, Notice of Violation (NOV) Docket Number 5496-14  
South Main Sinclair, Storage Tank Facility Number 0-000468

Dear Mr. Hacker:

The above mentioned NOV was issued on November 11, 2014. The NOV cited Hacker Oil for failure to maintain continuous operation of an underground storage tank (UST) cathodic protection (CP) system. Hacker Oil was given the option of repairing the CP system or removing the UST. Hacker Oil removed the UST on January 26, 2015.

The DEQ now considers this Violation resolved and the Fuel Delivery Prohibition Order for this tank has been lifted.

If you have any questions regarding this matter please feel free to contact me at (307)777-7097, or my email address is [oma.gilbreth@wyo.gov](mailto:oma.gilbreth@wyo.gov).
