RE: Letter of Compliance for Notice of Violation Docket Number 5541-15
Liquor Down South (Formerly Pub Place C-Store), Storage Tank Facility Number 0-004299
Located at 4125 South Highway 89, Jackson, WY

Dear Mr. Hurley:

Thank you for verification that the tanks and piping have been placed in temporarily out of service in accordance with Wyoming water Quality Rules and Regulations (WWQRR), Chapter 17, Section 30. The piping has been drained and capped and the tanks have been emptied to within 1 inch. Also, I have issued a Class A and Class B Storage Tank Operator's license to Mr. Joseph Schindler, who is an employee at this facility. It appears that you have complied with the Order outlined in Notice of Violation (NOV) Docket Number 5541-15. Therefore, the Fuel Delivery Prohibition Order that was included in the NOV is now lifted, and the DEQ Storage Tank Program (STP) considers this NOV resolved.

If you have any questions regarding this matter please feel free to contact me at (307)777-7097, or my e-mail address is oma.gilbreth@wyo.gov.

Sincerely,

Oma K. Gilbreth IV
