RE: Letter of Compliance for Notice of Violation Docket Number 5440-14  
Arlington Outpost, Storage Tank Facility Number 0-000756  
Located at Arlington, WY

Dear Ms. Newkirk:

Notice of Violation (NOV) Docket Number 5440-14 was issued to you for failure to perform cathodic protection testing on an underground storage tank (UST) cathodic protection system and failure to pay annual tank fees. Since the Nov was issued, you have paid the past due annual tank fees and you have removed the USTs. The violations outlined in NOV Docket Number 5440-14 have been resolved and it appears that the facility is now in compliance with Wyoming Water Quality Rules and Regulations, Chapter 17, and the Storage Tank Act of 2007.

If you have any questions regarding this matter please feel free to contact me at (307)777-7097, or my email address is [oma.gilbreth@wyo.gov](mailto:oma.gilbreth@wyo.gov).

Sincerely,
