RE: Letter of Compliance for Notice of Violation Docket Number 5540-15
Etna Trading Company, Storage Tank Facility Number 0-004194
Located at 107857 Highway 89, Etna, WY

Dear Ms. Burtness:

Notice of Violation (NOV) Docket Number 5540-15 was issued to you for: 1) failure to pay the fees for underground storage tanks (USTs) that were in temporarily out of use (TOU) status, 2) failure to perform a minimum site assessment for USTs that were in TOU status for longer than 3 years, and 3) failure have licensed Class A and B Storage Tank Operators. Since the NOV was issued, you have paid the annual tank fees and have removed all of the USTs located at Etna trading Company. Because all of the USTs have been removed in accordance with WWQRR, Chapter 17, Section (31), and the annual tank fees have been paid, the violations outlined in NOV Docket Number 5540-15 have been resolved and it appears that the facility is now in compliance with Wyoming Water Quality Rules and Regulations, Chapter 17, and the Storage Tank Act of 2007. Because all of the regulated USTs have been removed at this facility, the Fuel Delivery Prohibition Order has been lifted

If you have any questions regarding this matter please feel free to contact me at (307)777-7097, or my email address is oma.gilbreth@wyo.gov .

Sincerely,

Oma K. Gilbreth IV
