email: woc@wyomingoutdoorcouncil.org

*«« Many recycling centers cannot accept green or blue glass.
Contact your local center to determine if they accept glass,
and if so, which colors are acceptable. Most centers do not
accept glass such as door and window glass, windshield glass,
and drinking glasses since those types of products are not
made of the same materials as glass beverage containers. »»*

Recycling Economic Development Advocates

The Wyoming Small Business Development Center and MAMTC encourage economic development with recycling operations. Their offerings include:

- technical assistance,
- consultation,
- workshop information, and
- database listings.
