Average in this item	5	
Weak in this item	3	
Unsatisfactory in this item	1	

Project Name/Number: _____

Firm's Name: _____

Committee Person's Identifier _____ Date: _____

Rating Item	Rating	Weight	Score
1. Identification of key personnel (at a minimum include project manager, project geologist, project engineer and any other key technical personnel) and experience and capability of each relative to qualifications for THIS PROJECT .		3	
2. Resources and key personnel available to perform work in a reasonable time frame and on schedule. Discussion of DEQ and any other current and projected workloads that may affect this project.		2	
3. Identify the location of key personnel (project manager, project geologist, project engineer and any other key technical personnel) to the project. Ratings will be assigned by the HW/VRP manager. If key personnel are not located in the same office, the key person's location furthest from the project will be used to assign the rating. Two additional points will be awarded to firms with an office in Wyoming which may result in a rating of 12 for this item.		1	
4. Volume of work previously awarded (firms with two or more contracts currently in effect for HW/VR/BF/OS Programs) in order to equitably distribute contracts among firms submitting a SOI. Ratings will be assigned by the HW/VRP manager. Ratings will be assigned relative to other firms submitting a SOI. Lower ratings will be assigned for the most work previously awarded. Firms should not include a discussion of this rating item.		1	
5. Identify any unique experience and considerations the firm has specific to THIS PROJECT .		3
