

Wyoming Department of Environmental Quality
Water Quality Division

Application for Temporary Turbidity Increase

Fill out the application completely following the instructions provided.

- 1. This application is being filed for:
- A project which does have a 404 Permit issued from the U.S. Army Corps of Engineers (Corps).
- A project which does not have a 404 Permit from the Corps, but has submitted an application to the Corps.
- A project which does not have an application for a 404 Permit submitted to the Corps.

2. Name, address, and telephone number of the company, individual, or organization which will have responsibility for the project at the site and which will be the waiver holder:

Name: _____
Address: _____
Telephone: _____

3. Project name, legal description, county, waterbody, and latitude and longitude of the project for which this application is being filed:

Project name: _____
Quarter: _____ Section: _____ Township: _____ Range: _____
County: _____ Waterbody: _____
Latitude (Lat): _____ Longitude (Long): _____

List the information source used for the Lat and Long: _____

4. Briefly describe the project (attach additional information if needed): _____

Start Date: _____ End Date: _____

5. Maximum number of days turbidity exceedance will occur (**number of days that turbidity might be affected, not necessarily the entire length of the project**): _____

6. List all public water supply intakes downstream of the project within 10 miles:

Documentation **from all public water supply intake responsible parties** that notification has occurred and all concerns have been addressed should be included with this application.

7. I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. **I agree to notify WDEQ at least five (5) days before the start of any in-stream work and within seven (7) days of its completion.** I am aware that there are significant penalties for submitting false information **and for failure to submit the required monitoring reports**, including the possibility of fine and imprisonment for knowing violations (see Section 35-11-901 of Wyoming Statutes below.)
