DOCKET NUMBER 3986-06

NOTICE OF COMPLIANCE

The Department of Environmental Quality (DEQ), Water Quality Division (WQD) issued Notice of Violation Docket Number 3986-06, to Zephyer Production, Inc. (Zephyer) citing soil staining resulting from produced water discharges from conventional oil production units. The NOV alleged that Zephyer continually exceeded permitted effluent limits associated with WYPDES permit WY0047295 at the Evanston, Wyoming Travel Center. These are violations of the Wyoming Environmental Quality Act (Act) and applicable Wyoming Water Quality Rules and Regulations (WWQRR).

The NOV required Zephyer to pay a total penalty of two thousand nine hundred dollars and no cents (\$2,900.00) to the DEQ. Based on the March 15, 2007 letter and receipt of the \$2,900.00 penalty by DEQ, Zephyer has complied with the conditions of the Settlement Agreement for Docket Number 3986-06 and the DEQ finds that all terms have been satisfied.

Dated this 8th day of May, 2007.
