DOCKET NUMBER 4099-07

NOTICE OF COMPLIANCE

The Department of Environmental Quality (DEQ), Water Quality Division (WQD) issued Notice of Violation (NOV) Docket Number 4099-07 to Eagle Ridge Development LLC (Eagle Ridge) on August 3, 2007. Violations at the development include the failure to obtain coverage under the general permit for large construction activities, failure to develop a storm water pollution prevention plan (SWPPP), failure to install proper best management practices (BMPs) to control storm water runoff, and failure to conduct inspections.

The Settlement Agreement required Eagle Ridge to pay a total penalty of five thousand dollars and no cents (\$5,000.00) to the DEQ and submit a NOI and a SWPPP to the DEQ for review and acceptance. These requirements have been received, reviewed, and accepted by the DEQ. Eagle Ridge has achieved the conditions of the Settlement Agreement for Docket Number 4099-07 and the DEQ finds that all terms have been satisfied.

Dated this 24 day of October, 2007.
