RE: Settlement Agreement for NOV, Docket #4130-07

Dear Mr. Simpson:

The Department of Environmental Quality (DEQ), Water Quality Division (WQD) issued Notice of Violation Docket Number 4130-07 on August 16, 2007 to Sunrise Engineering, Inc. (Sunrise). The NOV alleged that Sunrise had constructed a public water supply well without a permit, which is a violation of the Wyoming Environmental Quality Act (Act), and applicable Wyoming Water Quality Rules and Regulations (WWQRR).

The Settlement Agreement required Sunrise to pay a total penalty of one thousand dollars and no cents (\$1,000.00) to the DEQ. Based on receipt of the signed Settlement Agreement and penalty payment, Sunrise has complied with the conditions of the Settlement Agreement for Docket Number 4130-07 and the DEQ finds that all terms have been satisfied. The file for Docket #4130-07 has been closed. Enclosed is one signed Settlement Agreement for your files.

Sincerely,

Louis B. Harmon PE PG
Water/Wastewater Program Manager
