NOTICE OF COMPLIANCE

The Department of Environmental Quality (DEQ), Water Quality Division (WQD) issued Notice of Violation Docket Number 4240-08 to Wyoming Refining Company, (WRC) on March 26, 2008. The NOV alleged that WRC was in violation for unauthorized discharges of produced water to "waters of the state" under the Wyoming Environmental Quality Act (Act) and applicable Wyoming Water Quality Rules and Regulations (WWQRR).

The Notice of Violation required WRC to pay a total penalty of twenty six thousand four hundred dollars and no cents (\$26,400.00) to the DEQ. Based on the May 12, 2008 letter and receipt of the \$26,400.00 penalty by DEQ, WRC has complied with the conditions of the Settlement Agreement for Docket Number 4240-08 and the DEQ finds that all terms have been satisfied.

Dated this 19th day of May, 2008.
