DOCKET NUMBER 4363-08

NOTICE OF COMPLIANCE

The Wyoming Department of Environmental Quality (DEQ), Water Quality Division (WQD) met with RDG Oil and Gas, LLC (RDG) to discuss the resolution of the recurring effluent violation addressed in this NOV. As discussed in the meeting DEQ requested that RDG submit in writing a corrective action plan to achieve compliance with the effluent limit(s) defined in WYPDES permit WY0053856. RDG shall also submit the payment for penalty associated with the violation within 30 days of the date of the Settlement Agreement.

The Notice of Violation required RDG to pay a total of eight thousand six hundred forty dollars and no cents (\$8,640.00) and submit in writing actions to be taken to achieve compliance with permit requirements to the DEQ. Based on reviewed information submitted by RDG and receipt of the penalty payment (received January 15, 2009), RDG has complied with the conditions of the Settlement Agreement for Docket Number 4363-08 and the DEQ finds that all terms have been satisfied.
