DOCKET NUMBER 4280-08

NOTICE OF COMPLIANCE

The Department of Environmental Quality (DEQ), Water Quality Division (WQD) issued Notice of Violation Docket Number 4280-08 on June 4, 2008 to Nadel and Gussman Rockies, LLC (N & G). The NOV was issued to N & G for the release of sludge which entered a drainage causing degradation to the channel. The unauthorized discharge is in violation of the Wyoming Environmental Quality Act (Act) and applicable Wyoming Water Quality Rules and Regulations (WWQRR).

The Notice of Violations required N & G to pay a total penalty of four thousand dollars and no cents (\$4,000.00) and submit in writing actions to be taken to achieve compliance with permit requirements to the DEQ. Based on information submitted by N & G and receipt of the penalty payment N & G has complied with the conditions of the Settlement Agreement for Docket Number 4280-08 and the DEQ finds that all terms have been satisfied.

The DEQ looks forward to working with N & G in a proactive manner and is available for future meetings to discuss compliance issues or concerns regarding WYPDES permit requirements.

Dated this 3rd day of February, 2009.
