DOCKET NUMBER 4415-09

NOTICE OF COMPLIANCE

The Department of Environmental Quality (DEQ), Water Quality Division (WQD) issued Notice of Violation Docket Number 4415-09 on January 23, 2009 to Magna Energy Services, LLC (Magna). The NOV alleged that Magna had an unpermitted discharge of produced water and was in violation of the Wyoming Environmental Quality Act (Act) and applicable Wyoming Water Quality Rules and Regulations (WWQRR).

The Notice of Violation required Magna to pay a total of three thousand six hundred dollars and no cents (\$3,600.00) and submit in writing operational plans and corrective actions Magna would implement to eliminate the violation from recurring in the future. Based on reviewed information submitted by Magna and receipt of the penalty payment (received April 14, 2009), Magna has complied with the conditions of the Settlement Agreement for Docket Number 4415-09 and the DEQ finds that all terms have been satisfied.
