**DOCKET NUMBER 4427-09**

**NOTICE OF COMPLIANCE**

The Department of Environmental Quality (DEQ), Water Quality Division (WQD) issued Notice of Violation Docket Number 4427-09 on February 27, 2009 to Williams Production RMT Company (Williams). The NOV alleged that Williams had an unauthorized discharge of CBM produced water and was in violation of the Wyoming Environmental Quality Act (Act) and applicable Wyoming Water Quality Rules and Regulations (WWQRR).

The Notice of Violations required Williams to pay a total of two thousand four hundred dollars and no cents (\$2,400.00) and submit in writing actions to be taken to achieve compliance with permit requirements to the DEQ. Based on reviewed information submitted by Williams and receipt of the penalty payment (received May 4, 2009), Williams has complied with the conditions of the Settlement Agreement for Docket Number 4427-09 and the DEQ finds that all terms have been satisfied.

The DEQ looks forward to working with Williams in a proactive manner and is available for future quarterly or semi-annual meetings to discuss compliance issues or concerns regarding WYPDES permit requirements.

Dated this 5<sup>th</sup> day of May, 2009.
